

UNIVERSITY OF MARYLAND AT COLLEGE PARK

INSTITUTE FOR PHYSICAL SCIENCE AND TECHNOLOGY

April 9, 1992

Dear Colleague:

Enclosed is information about the GEM Workshops that will take place at Snowmass Village, Colorado from June 28-July 2, 1992. You should find (1) the workshop announcement; (2) preliminary schedules of each workshop; (3) travel and lodging information; (4) Snowmass map and activities information; and (5) a registration form.

A registration fee of \$150, payable at the meeting, will be charged for the full 5 days, proportionately less if you plan to attend the 3-day Boundary Layer Campaign Workshop only or the 2-day Magnetotail/Substorm Campaign Workshop only. A reception is planned for Saturday, June 27, and a banquet for Tuesday, June 30.

Note that the room reservation blocks at the lodging facilities are being held only until May 15, 1992.

Yours Sincerely,

A handwritten signature in cursive script that reads "T. J. Rosenberg".
